

# TSA Statement on New Pat-down Procedures

---

## *News & Happenings*

---

*October 28, 2010*

"TSA is in the process of implementing new pat-down procedures at checkpoints nationwide as one of our many layers of security to keep the traveling public safe. Pat-downs are one important tool to help TSA detect hidden and dangerous items such as explosives. Passengers should continue to expect an unpredictable mix of security layers that include explosives trace detection, advanced imaging technology, canine teams, among others."
