## **Northwest Airlines New Location at Jackson-Evers International Airport**

**Northwest Airlines and Delta Airlines are combining their operations at Jackson-Evers International Airport (JEIA).** Beginning March 3, 2009, passengers can get service from Northwest and Delta at the same location. The two airlines are beginning to merge their operations and coordinate their flight schedules for customer convenience. At JEIA their first joint efforts will be to share a check-in counter and passenger boarding gates. Beginning Tuesday, March 3, 2009, all Northwest and Delta flights will operate out of the West Concourse on Gates 15, 17 and 19. Ticketing, check-in, baggage check and other passenger services for both airlines will be offered at the Delta Airlines counter on the main level of the terminal.
