FOR IMMEDIATE RELEASE

Hop on the “Jingle Bell Express” with the Jackson Municipal Airport Authority

The Jackson Municipal Airport Authority is getting into the spirit of the Christmas Season greeting our passengers with cheery music, help with their packages and bags and a quick ride to the terminal on the Jingle Bell Express!

Beginning December 16th and lasting through January 4th, “The Jingle Bell Express”, a complimentary 6-passenger shuttle cart, decked out in holiday cheer, will be travelling through our Surface Parking lot on the lookout for customers who could use a little help with their holiday travels.

Dirk B. Vanderleest, JMAA’s chief executive officer, states, “At JMAA our goal is to provide Non-Stop Customer Service. During the holidays, our employees look forward to celebrating the season with our community and customers by providing their time and service skills to welcome our customers and offer helpful information in the terminal. This year we are expanding that program with the “Jingle Bell Express”, as our way of saying ‘Merry Christmas and Thank You’ for traveling through the Jackson-Evers International Airport.”

Jingle Bell Express will be “dashing through” the airport from 6:00 a.m. to 8:00 p.m. seven day a week!
