

**ACDBE Participation
Management of Designated Parking Areas at
Jackson-Evers International Airport**

Jackson Municipal Airport Authority (JMAA) is aware of the following four firms who have been certified as ACDBE firms by the Mississippi Unified Certification Program. While there may be more, these firms have expressed an interest in participating on JMAA's Management of Designated Parking Areas Request for Proposals. The page numbers indicate where additional information on each firm may be found in the Mississippi Unified Certification Program List of Certified DBE Firms, dated Wednesday, June 8, 2011. A copy of the aforementioned may be found at www.jmaa.com or www.gomdot.com. JMAA does not endorse the utilization of any particular firm or firms nor does their utilization constitute an endorsement by JMAA of the firm's goods or services.

<u>Name of Firm</u>	<u>Page Number</u>
AJA Management & Technical Services	37
Global Parking Systems of Louisiana, LLC	10
Northern Florida Recruiting & Consulting Services, Inc.	33
Socrates Garrett Enterprises, Inc.	23

In utilizing the Mississippi Unified Certification Program List of Certified DBE Firms, the listing is divided into several categories and the firms alphabetized within each category. The categories are Contractor (C), Supplier (S), Consultant (SC), Miscellaneous (M), Bonding (B) and Concessionaire (CN).

As indicated at the Pre-Proposal Conference on July 7, 2011 and in Addendum No. 1, potential ACDBEs must be certified by the time JMAA executes a contract with the successful Respondent. The next Certification Review Committee meeting of the Mississippi Unified Certification Program is tentatively scheduled for August 16, 2011, so the last date that an application could be received would be Friday, August 5, 2011. JMAA cannot guarantee that the certification process can be completed within such a short period of time, but every effort will be made to do so.
