JMAA Wi Fi and American Eagle's Business ExtrAA Offer Bonus Points to Small Businesses

The Jackson Municipal Airport Authority (JMAA) and American Eagle Airlines are pleased to offer free Wi Fi services to all our customers at the Jackson-Evers International Airport (JEIA). Through the end of the year our small business partners and customers can get an even bigger benefit from JMAA Wi Fi, by logging in at JEIA, small businesses can enroll in Business ExtrAA and receive 500 bonus points on their accounts with American Eagle Airlines. Just another way that JEIA and American Eagle can say thank you for doing your business with us!
